Class B Member shall be the Declarant. The Class B membership shall terminate upon the first to occur of (a) when the then Class B Member so designates in writing delivered to the Association, (b) five (5) years after the date of the recording of the Declaration, or (c) when both seventy-five percent (75%) of the Lots in the Subdivision are owned by persons other than the Declarant and the Declarant owns less than ten (10) acres of other lands adjacent to or across a street from the Subdivision (as the same is from time to time constructed) which are capable of becoming Additional Property. When entitled to vote, each Member shall be entitled to one (1) vote for each Lot owned by that Member. Until such time as Class B membership terminates, the Class B Member shall be vested with the sole and exclusive voting rights except on such matters as to which the Declaration, the Articles of Incorporation, or the By-Laws of the Association specifically require a vote of the Class A Members. If ownership interests in a Lot are owned by more than one Member of the Association, such Members shall exercise their right to vote in such manner as they may among themselves determine, but in no event shall more than one vote be cast for

each Lot. Such Owners shall appoint one of them as the Member who shall be entitled to exercise the vote of that Lot at any meeting of the Association. Such designation shall be made in writing to the Board and shall be revocable at any time by actual written notice to the Board. The Board shall be entitled to rely on any such designation until written notice revoking such designation is received by the Board. If a Lot is owned by more than one Member of the Association and no single Member is designated to vote on behalf of the Members having an ownership interest in such Lot, then none of such Members shall be allowed to vote. All Members of the Association may attend meetings of the Association and all voting Members may exercise their vote at such meetings either in person or by proxy. The Declarant may exercise the voting rights with respect to Lots owned by it.

Section 3. Meetings of the Members.

(a) First Meeting. The first meeting of Members of the Association shall be held when called by the Appointed Board upon no less than ten (10) and no more than fifty (50) days' prior written notice to the Members. Such written notice may be given at any time but must be given no later than thirty (30) days after both seventy-five percent (75%) of all of the Lots in the Subdivision have been sold by the Declarant and a deed is recorded in the office of the County Clerk of Travis County, Texas for each such Lot, and the Declarant owns less than ten (10) acres of other lands adjacent to or across a street from the Subdivision (as the same is from time to time constructed) which are capable of becoming Additional Property. The First Elected Board shall be elected at the first meeting of the members of the Association.

Such notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting.

(e) Quorum. The presence at the meeting of Members entitled to cast, or of proxies entitled to cast, one-third (1/3) of the votes of the membership shall constitute a quorum for any action except as otherwise provided in the Articles of Incorporation, the Declaration, or these By-Laws. If, however, such quorum shall not be present or represented at any meeting, the Members entitled to vote thereat shall have power to adjourn the meeting without notice other than announcement at the meeting until a quorum as aforesaid shall be present or be represented.

If

the Owner desires to contest the alternate location proposed by the ACC, the Owner should submit information to the ACC which demonstrates that the Owner's proposed location meets the foregoing criteria. If the Solar Energy Device will be located in the fenced area of the Owner's lot or patio, no portion of the Solar Energy Device may extend above the fence line.

THE LEWIS MOUNTAIN RANCH PROPERTY OWNERS ASSOCIATION, INC. FINE AND ENFORCEMENT POLICY

1. Background. LEWIS MOUNTAIN RANCH is subject to that certain Declaration of Covenants, Conditions and Restrictions for Lewis Mountain Ranch – Phase One as recorded at Document No. 7218461, Official Public Records of Travis County, Texas and any amendments or annexations thereto (“**Declaration**”). In accordance with the Declaration, the Lewis Mountain Ranch Property Owners Association, Inc., a Texas non-profit corporation (the “**Association**”) was created to administer the terms and provisions of the Declaration. Unless the Declaration or applicable law expressly provides otherwise, the Association acts through a majority of its board of directors (the “**Board**”). The Association is empowered to enforce the covenants, conditions and restrictions of the Declaration, Bylaws and any rules and regulations of the Association (collectively, the “**Restrictions**”), including the obligation of Owners to pay assessments pursuant to the terms and provisions of the Declaration and the obligations of the Owners to compensate the Association for costs incurred by the Association for enforcing violations of the Restrictions.

The Board hereby adopts this Fine and Enforcement Policy to establish equitable policies and procedures for the levy of fines within the Association in compliance with the Chapter 209 of the Texas Property Code, titled the “Texas Residential Property Owners Protection Act,” as it may be amended (the “**Act**”). To the extent any provision within this policy is in conflict the Act or any other applicable law, such provision shall be modified to comply with the applicable law.

Terms used in this policy, but not defined, shall have the meaning subscribed to such term in the Restrictions.

2. Policy. The Association uses fines to discourage violations of the Restrictions, and to encourage compliance when a violation occurs – not to punish violators or generate revenue for the Association. Although a fine may be an effective and efficient remedy for certain types of violations or violators, it is only one of several methods available to the Association for enforcing the Restrictions. The Association’s use of fines does not interfere with its exercise of other rights and remedies for the same violation.
3. Owner’s Liability. An Owner is liable for fines levied by the Association for violations of the Restrictions by the Owner and the relatives, guests, employees, and agents of the Owner and residents. Regardless of who commits the violation, the Association may direct all communications regarding the violation to the Owner.
4. Amount. The Association may set fine amounts on a case by case basis, provided the fine is reasonable in light of the nature, frequency, and effects of the violation. The Association may establish a schedule of fines for certain types of violations. The amount and cumulative total of a fine must be reasonable in comparison to the violation, and should be uniform for similar violations of the same provision of the Restrictions. If the Association allows fines to accumulate, the Association may establish a maximum amount for a particular fine, at which point the total fine will be capped. See Attachment 12 for the Association’s Schedule of Fines.

5. Violation Notice. Before levying a fine, the Association will give the Owner a written violation notice and an opportunity to be heard. This requirement may not be waived. The Association's written violation notice will contain the following items: (1) the date the violation notice is prepared or mailed; (2) a description of the violation; (3) a reference to the rule or provision that is being violated; (4) a description of the action required to cure the violation; (5) the timeframe in which the violation is required to be cured; (6) the amount of the fine; (7) a statement that not later than the thirtieth (30th) day after the date of the violation notice, the Owner may request a hearing before the Board to contest the violation; and (8) the date the fine attaches or begins accruing, subject to the following:
 - a. New Violation. If the Owner has not been given notice and a reasonable opportunity to cure the same or similar violation within the preceding six (6) months, the notice will state a specific timeframe by which the violation must be cured to avoid the fine. The notice must state that any future violation of the same rule may result in the levy of a fine.
 - b. Repeat Violation. In the case of a repeat of the same or similar violation of which the Owner was previously notified and the violation was cured within the preceding six (6) month time period, the notice will state that, because the Owner was given notice and a reasonable opportunity to cure the same or similar violation but the violation has occurred again, the fine attaches from the date of the expiration of the cure period in the violation notice.
 - c. Continuous Violation. If an Owner has been notified of either a new violation or a repeat violation in the manner and for the fine amounts as set forth in the Schedule of Fines below and the Owner has never cured the violation in response to either the notices or the fines, in its sole discretion, the Board may determine that such a circumstance is a continuous violation which warrants a levy of a fine based upon a daily, monthly, or quarterly amount as determined by the Board. The fine shall begin accruing upon the expiration of the cure period in the violation notice informing the Owner of the Board's decision and amount of fine and the Owner's failure and/or refusal to cure as requested.
6. Violation Hearing. An Owner may request in writing a hearing before the Board to contest the fine. To request a hearing before the Board, the Owner must submit a written request to the Association's manager (or the Board if there is no manager) within thirty (30) days after the date of the violation notice. Within fifteen (15) days after the Owner's request for a hearing, the Association will give the Owner at least fifteen (15) days advance notice of the date, time, and place of the hearing. The hearing will be scheduled to provide a reasonable opportunity for both the Board and the Owner to attend. Pending the hearing, the Association may continue to exercise its other rights and remedies for the violation, as if the declared violation were valid. The Owner's request for a hearing suspends only the levy of a fine. The hearing will be held in a closed or executive session of the Board. At the hearing, the Board will consider the facts and circumstances surrounding the violation. The Owner may attend the hearing in person, or may be represented by another person or written communication. If an Owner intends to make an audio recording of the hearing, such Owner's request for hearing shall include a statement noticing the Owner's intent to make an audio recording of the hearing, otherwise, no audio or video recording of the hearing may be made, unless otherwise approved by the Board. The minutes of the hearing must contain a statement of the results of the hearing and the fine, if any,

imposed. A copy of the violation notice and request for hearing should be placed in the minutes of the hearing. If the Owner appears at the meeting, the notice requirements will be deemed satisfied. Unless otherwise agreed by the Board, each hearing shall be conducted in accordance with the agenda attached hereto as Exhibit A.

7. Levy of Fine. Within thirty (30) days after levying the fine, the Board must give the Owner notice of the levied fine. If the fine is levied at the hearing at which the Owner is actually present, the notice requirement will be satisfied if the Board announces its decision to the Owner at the hearing. Otherwise, the notice must be in writing. In addition to the initial levy notice, the Association will give the Owner periodic written notices of an accruing fine or the application of an Owner's payments to reduce the fine. The periodic notices may be in the form of monthly statements or delinquency notices.
8. Collection of Fines. The Association is not entitled to collect a fine from an Owner to whom it has not given notice and an opportunity to be heard. The Association may not foreclose its assessment lien on a debt consisting solely of fines. The Association may not charge interest or late fees for unpaid fines.
9. Amendment of Policy. This policy may be revoked or amended from time to time by the Board. This policy will remain effective until the Association records an amendment to this policy in the county's official public records. The notice may be published and distributed in an Association newsletter or other community-wide publication.
